A symposium will be held in May 2010 in the run up to Nord Art. Approximately 10 artists are invited to attend the symposium. Large works for Nord Art are produced at the symposium. If you wish to attend the symposium, please mark the "Symposium" box in the application form. We also require details on the materials and dimensions, estimated time required, photos with examples of works, and a sketch where possible. The participants at the symposium enjoy free materials, a workplace, and accommodation at the exhibition site itself. The work created remains the property of the artist and will be exhibited at Nord Art for at least 2 years – with the exception of works which are sold.
